

BOC

BLUE OCEAN CONSTRUCTION INC.
GENERAL CONTRACTORS

Blue Ocean Construction Inc. is a diversified organization established in 1990. Our company and qualified staff offer construction services in several markets:

- Residential Construction
- Commercial Construction
- Building Envelope Reconstruction
- Housing & Retail Construction
- Multi-Family Housing

B.O.C. specializes in general contracting and project management. Our ability to organize and structure projects continues to provide our customers with positive building experiences. This is reflected in B.O.C.'s customer referral base. Approximately 90 % of new business is acquired through the good words of our existing clients.

Excellence

Dedication

Experience

It is our sincere intention to provide you with a project designed to meet your requirements.

GOALS & ETHICS

OUR GOALS

- To provide our customers with a well organized, well orchestrated project
- To achieve the high expectations we set for ourselves with respect to the finished product and schedule
- For our customers to experience a working relationship that exceeds their initial expectations of our company
- To be proud of and respected for our accomplishments

OUR ETHICS

- Blue Ocean Construction has been in the Greater Vancouver area for 15 years
- We have successfully completed hundreds of Projects
- We respect our customer's privacy living and working conditions during construction
- We maintain long term relationships with our Customers and often complete multiple projects together
- The success of our business relies solely on Customer satisfaction and word of mouth referrals
- We proudly stand behind all of our work
- We maintain an open communication at all times with the Owner
